About me...

After being a beauty and skincare therapist for over 18 years working in various high end salons and clinics around Surrey I decided to take the plunge in 2018 to go solo.

I am now proud to provide professional treatments in a private home based salon in Epsom, Surrey.

I am a very results driven therapist and will only use brands I truly believe in and am passionate about to deliver you the best possible treatment.

Please feel free to contact me via text/call or email if you have any questions or would like to book in.

I look forward to hearing from you.

Thanks Suzie x
